HEALTHCARE CALIFORNIA AWARDED PREMIER STATUS IN NATIONAL HOME HEALTH QUALITY IMPROVEMENT CAMPAIGN

HealthCare California has been awarded Premier status in the Home Health Quality Improvement (HHQI) National Campaign. The goal of the HHQI National Campaign is to improve the quality of care home health patients receive.

HealthCare California continues to receive local and national recognition for developing innovative home care strategies and clinical practices for improving the health of its patients in central California. Through innovative programs, increasing numbers of **HealthCare California** patients are returning to healthy and productive lives.

In announcing the Premier status designation, Devin S. Nugent, Chief Operating Officer of **HealthCare California**, stated:

Our company is especially proud to receive another national honor for health care excellence. We remain dedicated to improving the quality of home health care. **HealthCare California** is a leader in providing outstanding home care services by a team of dedicated and skill clinical professionals. We are committed to being active partners in the National Campaign and sharing our successes with other national health care providers.

###

HealthCare California is the central valley's largest Medicare certified home health agency, providing skilled nursing, physical/occupational/speech therapy and social services to homebound patients. With offices in Fresno and Visalia, it serves patients from Merced to Porterville. **HealthCare California** has been consistently recognized as a Homecare Elite Top Agency based upon clinical results ranking it in the top 25% of home health agencies nationwide.
