HEALTHCARE CALIFORNIA SUPPORTS INDUSTRY CODE OF ETHICS

HealthCare California joins the California Association for Health Services at Home [CAHSAH] in supporting the Association's recently announced Code of Ethics.

Devin S. Nugent, **HealthCare California's** Chief Operating Officer issued the following statement:

Since the establishment of **HealthCare California** in 2004, we have been dedicated to developing and delivering the highest quality of home health care for our patients. As such, our company has been continuously recognized for our excellence by governmental entities, oversight and evaluation organizations and in the communities we serve.

As a member of the California Association for Health Services at Home [CAHSAH], **HealthCare California** fully supports the actions of the Association's Board of Directors in adopting a Code of Ethics which outlines home health agency responsibilities as well as those of our patients and their rights. In addition, the Code of Ethics underscores our added commitment to the general public and governmental agencies that the Association and its individual members stand for integrity and strive to maintain the highest ethical standards.
